### 1518 DECLARATIONS OF INTERESTS

Every Councillor present declared a disclosable pecuniary interest in respect of their own properties within the parish.

In accordance with the Code of Conduct, the clerk granted a dispensation to all Councillors to enable them to participate in the decision relating to the setting of the precept.

### 1519 MINUTES OF THE LAST MEETING

Minutes of the Ordinary Parish Council Meeting held on 19<sup>th</sup> November 2012 were approved and signed.

### 1520 MATTERS ARISING FROM THE MINUTES

- **Update on clearance of culvert at Radigan Lane**

A site meeting was held on 29<sup>th</sup> November 2012 to discuss the clearance of the watercourse and culvert at Radigan Lane. The landowner, officials from SSDC and other interested parties were present.

The watercourse has now been cleared to the satisfaction of the SSDC officials and no further action is deemed necessary.

It was acknowledged that the gullies are blocked and that the drain serviced by the gullies has collapsed. Mr McWilliams of SSDC Highways has undertaken to attend to this and he will also arrange for the large amounts of debris currently lying on the road to be cleared. It is hoped that this work will be carried out shortly.

- **Grant to the CMBC Village Hall Committee for kitchen refurbishment**

The kitchen refurbishment has now been completed and the Parish Council wished to record its gratitude to the members of the Village Hall Committee and other parishioners who carried out the work to such a high standard. A

public letter of thanks from Curry Mallet PC and Beercrocombe PC will be sent to the Beer & Curry Takeaway.

- **Right to bid for community assets**

It was agreed to liaise with Curry Mallet PC to investigate whether the Village Hall should be included on the Council's Register of Assets of Community Value.

## **1521 PARISHIONERS' FORUM**

PCSO Ian Ross reported that Rob Jameson had been appointed as the new Beat Sergeant.

The Parish Council no longer receive the monthly crime figures, these must now be obtained from the national website. PCSO Ross confirmed that there had been no instances of reported crime in Beercrocombe for December, and that the crime figures for South Somerset were lower than the average figures for the whole of Somerset, which is indeed lower than the national average.

There were no other matters raised.

## **1522 MATTERS OF REPORT**

### **a) Footpaths**

Mr Harvey reported that he had contacted Les Braunton of SCC about the slippery section on footpath 5/13, and he is happy for the Parish Council to carry out remedial work and advise him when it is completed. Mr Harvey will arrange for this to be completed when the weather improves.

### **b) Highway matters**

The damaged verge at Broadmead has now been repaired and 15 cut ins have also been created so that the water flows more easily off the highway. It is now apparent that following this work, the ditch requires dredging.

Mr Harvey reported that the recent extreme weather, which although caused flash flooding along the highway, did not cause any long-term damage and no properties were affected.

The flooding of the highway was worsened by water run off from a field just outside the Parish, towards the junction of the road to Curry Mallet, and it was identified that the ditch needed to be cleared. Mr Harvey arranged for Anthony Stone to carry out this work, which was completed without payment and the Parish Council are grateful to Mr Stone for his time and effort. The ditch has now been cleared and the drain unblocked, so in future the water should not encroach upon the highway.

It was reported that debris in the stream on land at Broadbridge is restricting the waterflow and is a possible flooding hazard.

In view of the recent extreme weather and the potential for future flooding the Parish Council consider it important that all ditches are kept cleared and that the rivers and streams throughout the Parish are kept free of debris. It was

agreed that the Parish Council should write to landowners reminding them of their responsibilities with regard to ditch and stream clearance.

It was reported that there is a defect with a manhole cover near the water treatment plant, which results in sewage seeping up around the cover on occasions. Cllr Steele will contact Mr McWilliams to ensure that this problem is rectified as soon as possible.

#### **1523 TO AGREE BUDGET AND PRECEPT FOR 2013/14**

The Parish Council discussed the budget for 2013/14. The anticipated expenditure for the year remains similar to 2012/13. The Parish Council has agreed to contribute towards the printing costs of the Beer & Curry Takeaway and the sum of £60 has been allocated in the budget. However as in future the external audit will be carried out free of charge, this additional item has had minimal effect on the budget.

The Parish Council propose to recover the cost of the grant to the Village Hall over a six year period at £50 p.a, and it was proposed to increase the precept by this amount to £1150.

The Clerk explained that due to the localisation of Council Tax benefit, the Council Tax base for Beercrocombe has reduced from 64.27 to 63.17. This tax base is used to calculate how much each property will be charged to cover the precept. The annual charge for a Band D property will increase from £17.11 to £18.20 as a result of the increased precept, and reduced tax base.

It was proposed by Mr A Davies and seconded by Mr C Dale, that a precept of £1150 be levied for 2013/14 and the Parish Council agreed this.

#### **1524 FORMAL EXPENDITURE APPROVAL**

a. Clerk's salary	£ 88.34
b. CMBC Village Hall	£100.00
c. Beercrocombe PCC	£100.00

The Parish Council approved these payments.

#### **1525 CORRESPONDENCE FOR INFORMATION**

##### **RNAS Yeovilton Parish Notice**

The Clerk has received the RNAS Yeovilton Annual Parish Notice, which is displayed on the noticeboard. This was sent by Jeremy Greenop, the Community Relations Officer, who is relatively new to the post. Mr Greenop is happy to attend routine Parish Council meetings to introduce himself and give a short update on what is happening at Yeovilton and what is in the pipeline. The Clerk will invite him to the next Parish Council meeting on March 18<sup>th</sup>.

**Countywide Review of recent flooding events**

SSDC are coordinating a countywide review of the recent flooding events and will be arranging a workshop for Parish Councils to attend. Mr Dale and Mr Harvey expressed an interest in attending.

There were no declarations of interest.

### 1529 MINUTES OF THE LAST MEETING

Minutes of the Ordinary Parish Council Meeting held on 21<sup>st</sup> January 2013 were approved and signed.

### 1530 MATTERS ARISING FROM THE MINUTES

- **Update on clearance of culvert at Radigan Lane**

The gullies at Radigan Lane have still to be cleared.

- **Right to bid for community assets**

Following discussions with the Chairman of Curry Mallet PC, and the Village Hall Committee, it is considered that it may be premature to include the hall on a Register of Assets of Community Value at present. The lease on the Village Hall is due for review in 2017 and matters will be left with the Village Hall committee until that time.

- **Maintenance of waterways and ditches**

The Chairman has written to landowners reminding them of their riparian duties and has also personally contacted them. All have promised to maintain their section of the waterways and will carry out clearance work in due course.

### 1531 PARISHIONERS' FORUM

PCSO Ian Ross reported that thefts from outbuildings continue to be a problem, and that it is important that owners check the contents regularly, so that any thefts can be promptly reported. PCSO Ross is happy to visit owners with outbuildings and give advice on their security.

The owner of Halfway House was present and reported that the work carried out last year opposite his house has been partially successful in preventing his property from flooding. However he has experienced problems with water running down from further up the lane and as this is occurring within the parish of Curry Mallet, he will pursue the matter with that Parish Council.

There were no other matters raised.

### **1532 MATTERS OF REPORT**

#### **a) Footpaths**

There were no issues raised.

#### **b) Highway matters**

Some patching of the highway has taken place at Broadmead, but the verge has now been displaced towards the ditch, which may result in erosion of the road metal. The road surface now has a camber leaning towards the ditch.

There is a blockage of the river near to Beer Mills Farm, and it was agreed that a working party will be arranged to clear this.

The manhole cover near the water treatment works has been repaired.

### **1533 FORMAL EXPENDITURE APPROVAL**

a. Clerk's salary	£ 88.34
b. SALC	£ 34.63

The Parish Council approved these payments.

### **1534 PLANNING APPLICATION 13/00821/LBC**

The Parish Council has received a revised application for the conversion of agricultural buildings to two new residential dwellings at Manor Farm. The revised plans rearrange the internal configuration of the properties. The Parish Council has no objections to the revisions.

### **1535 CORRESPONDENCE FOR INFORMATION**

#### **Area North Annual meeting**

This will take place on Thursday 23<sup>rd</sup> May at Long Sutton Golf Club, starting at 6.45pm. The Clerk will receive further details in due course.

#### **Countywide Review of recent flooding events**

Mr Dale has attended the flood summit recently held to review the recent flooding events. It is widely acknowledged that the rivers are not flowing to full capacity and real pressure is being placed on riparian owners to fulfil their responsibilities.

A campaign to dredge the main rivers has been started, as it is thought that these are only running at 60% capacity. However the cost of a dredging operation has been estimated to be in the region of £3m and the Environment Agency is resisting this course of action.

**1536 DATE OF NEXT MEETING**

Monday 20<sup>th</sup> May March 2013 at 7.00pm

The Annual Parish Council meeting will commence at 7pm and will be followed by the **Annual Parish Meeting at 8pm.**

## **ANNUAL PARISH MEETING**

Minutes of the Annual Parish Meeting of Beercrocombe Parish held at Curry Mallet Village Hall on Monday 20th May 2013

### **ATTENDANCE AND APOLOGIES**

*Councillors:* Mr. R F Burrough, Mr. A Davies, Mr. G Harvey, Mr. A Reed, Ms. J Wright.

*Public:* Cllr. Steele (SSDC), Cllr D Yeomans (SCC), 11 members of the public

*Apologies:* Mr. C Dale, Mrs. S Prideaux

### **MINUTES OF THE LAST MEETING**

The minutes of the Annual Parish Meeting held on 21st May 2012 were received and approved.

### **REPORT FROM THE CHAIRMAN OF THE PARISH COUNCIL**

*Mr Burrough gave the following report:-*

My Chairman's Report will briefly cover the main parish activities that occurred during the past year.

I will start with the very successful Diamond Jubilee celebrations held in Beercrocombe last year on Monday the 4th June. As I was abroad at the time I did not attend the event myself, but 93 parishioners did, and thoroughly enjoyed themselves. Besides the excellent open-air lunch and street-party alongside the Village Green, entertainments included a celebratory peal of bells from the bell ringers, a loyal toast, a family quiz and a fancy dress competition. In the evening a joint Beercrocombe/Curry Mallet Beacon was lit, with approximately 90 people attending. I wish to record particular thanks to Sue Prideaux, who led the organising committee. Among the committee's many accomplishments was to hold the celebrations on the Monday, the best weather day of the Jubilee weekend. Many, many parishioners assisted, especially preparing and presenting the lunch so I will not try to list names, but thanks to you all. However, I would like to pay particular thanks to Justin Adams for providing the field for the Beacon and to Graham Harvey for leading the loyal toast and for running the Beacon event.

As we are sitting in the Village Hall it is very appropriate to record the refurbishment of the kitchen. Chris Dale and Chris Marks steered this project from inception to design, fund raising, purchase and installation. Chris Marks and Chris Dale installed the kitchen to an extremely high standard, saving a considerable amount of money. Norma Dale, Roger Hughes, Graham Harvey and Judy Penny also gave valuable assistance. We thank you for taking the initiative and devoting your time to this community led project, which is a great example of how a lot can be achieved by pooling resources, experience and skills.

Many villagers have benefited from the opportunity to purchase land from Mr Gerald Hale over the past year and the sale of Manor Farm and the redevelopment of the old farmyard will lead to a significant improvement to Beer Street. These events will have a lasting beneficial impact upon the village.

Regarding the rural infrastructure, the very wet weather over the past year prompted me to discuss with our landowners their riparian responsibilities to maintain the ditches and streams that flow through our parish. Their response was very positive and community minded. The weather played havoc with our roads, compounded by poor repair and maintenance by South Somerset Highways. I have to express some frustration with that organisation as we have had several site visits with Highways over the past few years where work was agreed but not carried out. Recently, poorly placed warning cones along Broadmead Road forced traffic onto the verge, resulting in the verge slipping into the ditch alongside. Then Highways had the cheek to say that it is the landowners responsibility to clean out the blocked ditch! Not surprisingly, roads and footpaths are a constant issue and I would like to thank Graham Harvey for dealing with the various problems on behalf of the parish.

The Village Green is looking particularly smart and I thank the team of volunteers who mow the area and keep it looking neat and tidy. The Green is enhanced by our Book Swap Telephone Kiosk, so many thanks to Julia Wright and her team of Kiosk supporters.

Tony Reed, as our Neighbourhood Watch representative, has retained his reputation as a first rate guardian of our properties, as we continue to enjoy a below average crime rate. However, as is ever, we all need to remain vigilant, personally and as a community.

Like most parishes the new National Planning Policy Framework gave rise to fears of uncontrolled development on our rural land, so it is worth stating that South Somerset District Council does have an existing Local Plan and is in the final stages of producing a new Local Plan that defines planning policy out to 2028. These Plans do control what development can and will take place. Beercrocombe, because of its rural location, size and limited facilities – no primary school, pub, shop, bus, and the like – will experience very limited development in the future - basically no change from our past. On our behalf, Tony Davies, whose knowledge of the parish is second to none, thoroughly

reviews all new planning applications to ensure they are in the best interest of the parish. I thank him for being our guardian over this very sensitive area of parish life.

As at the 31st March our financial balance was £1,467, some £231 lower than the previous year. This was due to the £300 grant for the Village Hall kitchen which we plan to recover over the next 6 years at £50 per year. That means our precept increases from £1,100 to £1,150. Nevertheless our precept remains one of the lowest within the District. I thank our Clerk, Gillian, for keeping the accounts in very good order and I would also like to thank Gillian for carrying out all her other Clerk responsibilities so efficiently.

County Councillor Derek Nelson retired recently, a consequence of the boundary changes within Somerset County Council. I especially wish to record our thanks for his support over many years. I welcome our new County Councillor Derek Yeomans to our parish and look forward to a long and fruitful relationship. Our long-serving District Councillor, Sue Steele, has provided outstanding support and advice over the past year, so I extend special thanks to her.

Finally I wish to thank all the Councillors for giving up their time to help the parish prosper. Their efforts do make a difference. I do encourage the next generation to step up to the plate and engage in this important activity, so that we continue to enjoy a pleasant life in a very pleasant part of England.

#### **PRESENTATION FROM JEREMY GREENOP, COMMUNITY RELATIONS OFFICER, RNAS YEOVILTON**

Jeremy Greenop introduced himself as the Community Relations Officer (CRO) at RNAS Yeovilton, a post he has held since 2011, following the retirement of Richard Seymour.

He commented that his first piece of correspondence he received in his new role was from Beercrocombe Parish Council and it was very supportive.

Mr Greenop gave an overview of the activities at RNAS Yeovilton. 2012 was a busy year with aircraft heavily involved in the Diamond Jubilee events and the 2012 London Olympics. The 2012 Air Day attracted 28000 visitors.

During 2012, the air station actively engaged with horse riders, with contact being made with the British Horseriders Society. If a local equine organisation is holding an event, contact should be made with the Officer in Charge at Merryfield or Yeovilton who will ensure that no low flying aircraft cause a disturbance. This advice applies to any large event that is being planned.

Mr Greenop confirmed that by 2017, all naval Lynx aircraft will be replaced by the Wildcat, but the noise level should not increase. The Sea King helicopters will be replaced by Merlin which is a larger aircraft.

In addition the fleet of Army Lynx aircraft will in future be situated at Yeovilton, which will lead to a 600 increase in personnel. However, there should be no increase in flying activity as more training can now be done on a simulator.

Mr Greenop then answered questions raised by members of the public.

## **REPORTS FROM PARISH INTEREST GROUPS**

### **Neighbourhood Watch**

Mr. Reed had little to report, being a reflection on the low levels of crime in the area. He mentioned again that he had an etching machine available for use in marking property. This is available to any parishioner who may wish to use it.

### **Roads and Footpaths**

#### **Footpaths**

Mr Harvey reported that the footpaths within the Parish are in good order generally, and that the ones designated for cutting have been cut twice in the last 12 months by SCC.

With the help of Mr. Burrough, a new set of steps has been constructed at the junction of L5/13 and L5/12 where it passes through the hedge. Mr. Harvey promised to keep the steps in good order.

#### **Roads**

Mr Harvey reported that the severe weather conditions experienced in 2012 have adversely affected the roads. Efforts have been made recently to repair some of the major pot holes, but the road surfaces remain in poor condition in some parts of the parish.

There remains outstanding the issue of Broadmead and the state of the verge adjacent to the ditch, but following recent action by the Parish Council, it is hoped that this issue will shortly be resolved.

The Chairman thanked Mr Harvey for his continuing hard work.

### **Beer & Curry Takeaway**

Ms Wright reported that this publication continues to be well received and thanked the Parish Council for its support with the printing costs.

### **Village Hall Report**

The Village Hall has had another successful year and improvements have been made, including the fitting of a new stainless steel kitchen. A grant from the Parish Council was received towards this.

There continues to be good usage of the hall by a variety of organisations and the Village Hall committee has organized various events including a very successful Take Art concert featuring Gordon Giltrap.

The annual fete takes place on Saturday 13<sup>th</sup> July 2013, there will be the annual quiz in November and it is also hoped to stage a variety show by the end of the year.

The only sad note to report was the incidence of criminal damage to the outside seat and light.

## **Village Trust**

Mr. Davies gave a report on the Village Trust.

The accounts to the year ended 23/11/2012 show a deficit of £212 for the year. £1800 was paid out in grants, but income from investments was only £1470. However the value of investments grew by £4000 during the year and is now in excess of £40,000. Since 1978, over £50,000 has been paid out in grants.

Mrs Prideaux will retire from the Trustee Body in June after a period of 35 years. She was Chairman from 1981 until 2012 and has served the Trust with diligence and dedication throughout her term. The village and its activities have benefited greatly from the substantial contribution she has made.

The meeting closed at 9.00pm
